

## **Udveksling: 25. marts – 1. april 2020 Besøg fra Spanien**

Som allerede nævnt først på skoleåret har vi jo også et fint samarbejde i gang m. skolen i Spanien, hvor vi får besøg af 26 børn i foråret. Hertil har vi fundet værtsfamilier fra Ørding friskole. Hvor er det dejligt, at der er så stort et udsyn og mod til at prøve noget nyt. I skoletiden vil de involverede børn lave aktiviteter sammen-arrangeret af 6.-7. klasses elever; lave mad, udveksle nationalsportsgrene, besøge landbrug i området, Esters sø, få besøg af historiefortæller, der spiller dukketeater/The Ugly Duckling etc. Almen dannelse og kulturudveksling er i centrum for alle elever på friskolen.

Her er hvad deres hovedansvarlige fra skolen, De Kanariske øer skriver:

Hello! My name is Acaymo. I'm teacher at school in Canary Island, Spain. Our website is: [cooperativajuanramonjimenez.es](http://cooperativajuanramonjimenez.es)

We have a lipdub on YouTube <https://www.youtube.com/watch?v=ESk1ZFkV-j8>, and you can watch a video about our island, Gran Canaria: <https://www.youtube.com/watch?v=3-IT-LJvAPA>

Our country is in the Atlantic ocean, and we belong to Spain. We have a nice temperature all year, and a lot of activities to do and places to visit. We have several wonderful beaches surrounding the island when you can do plenty of water activities such as surfing, bodyboard, etc; Also you can do other different activities in the mountain in the center of the island.

We are one of the top touristic destination of Spain.

I have sent to your school this e-mail because we are interesting with the possibility of doing an Exchange between our schools. We are doing a Exchange with a school in Holland for 20 years. Firtly with "Trevianum", (17 years), and now with Fortes Lyceum (Gorinchem), 4 years.

Thanks a lot. Acaymo.
